## MOLLISON CROSSES ATLANTIC IN FIRST SOLO FLIGHT WEST

British Flyer Lands at Pennfield Ridge, Near Saint John, N.B., After Thirty Hours in Air—Fatigue Forces Landing—To Visit Montreal Today En Route to New York

SAINT JOHN, N.B., Aug. 19 (CP).—Completing the first westward solo flight over the Atlantic Ocean, Captain James A. Mollison, youthful Scottish airman, brought his silver Puss Moth monoplane to a safe landing at Pennfield Ridge, near here, at 11:45 o'clock (Eastern standard time) today, after a valiant fight against fatigue and strain of a thirty-hour flight.

Mollison passed up Harbor Grace, where he intended to pause to refuel in the hope of making New York his first stop since leaving Ireland. Unfavorable weather conditions for many hours caused the intrepid flyer untold discomfort and added to the strain of many wakeful hours in a bare, unupadded seat in his plane.

FLIES OVER HALIFAX  
The small monoplane, expected by a waiting crowd to appear from the Atlantic mists at Harbor Grace, Newfoundland, at dawn today, made a surprise appearance over Halifax at 5:05 (E.S.T.) this morning. Waking startled Halifaxians from their beds, the veteran British flyer flashed down and roared over the houses after his long flight across the grey Atlantic.

He zoomed over Halifax airport, where early-bird flying men were able to catch a glimpse of the markings on his tiny plane, The Heart's Content.

He sped upwards again and banked the plane westward toward New York City, scheduled end of his swift westward crossing of the ocean. At 5:45 (E.S.T.) he was reported speeding over Hubbards, on the Nova Scotia coast.

TOO TIRED TO GO ON  
While all the Maritimes and New England kept a watch for him, he dropped his way over the way of Fundy and finally glided down to a grassy field at Pennfield Ridge.

"I was too tired to go on," he explained over a long distance telephone, after he made a perfect landing in a large field half a mile from the Pennfield Ridge Station. "I passed Harbor Grace and Halifax this morning, and went over Saint John at noon, hoping to get on to New York, but when I got this far I was so tired that I just could not go on."

All through the night, the pilot said, he had flown through clouds and heavy mist. "The weather conditions were very unfavorable during the last eighteen hours," he said.

Captain Mollison said he would follow his original intention of flying back across the Atlantic. He would rest a few days in New York, however, before he would attempt the return journey immediately on the

## BETTER SPIRIT IN FREE STATE

Observers Intimate Discussions at Ottawa More Optimistic for Ireland

DUBLIN, Aug. 19 (CP).—President Eamon de Valera, of the Irish Free State, today declined to comment on a report from Ottawa that United Kingdom and Free State delegates at the Imperial Conference had concluded an agreement to agree. Informal conversations have been taking place between Mr. O'Kelly, the Free State leader.

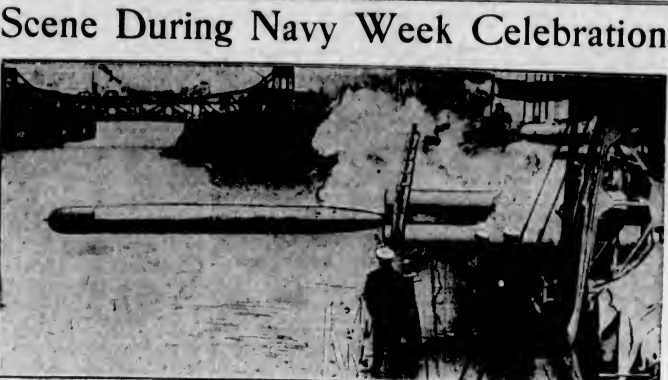

Mr. O'Kelly's dispatch from Ottawa, brought here by the Minister of Agriculture, Dr. James Ryan, has caused the executive council to reconsider their attitude toward the United Kingdom. In the meantime, high tariffs on both sides of the Irish Sea are cutting down trade between the two countries, and it is generally agreed nothing can be done by either party until the respective delegations return.

The fact that the two delegations at Ottawa have been getting to grips with the problem has led to much optimistic speculation in Dublin, and the hope that both the land annuities dispute and the tariff retaliation arising from it will soon be ended.

In political circles it was assumed that an early withdrawal of tariff orders directed at each other by the Free State and Britain was likely.

Lumber and Salmon to Gain No Immediate Advantage in British Market but Metals Will Receive New Preferences—Plan for Control of Foreign Imports Not Satisfactory

HOUSE OF COMMONS, OTTAWA, Aug. 20.—Canadian wheat will be given a preference of six cents a bushel in the British market, but British Columbia timber and salmon will gain no immediate advantage from the treaty that will be signed between Canada and the United Kingdom today.

Copper, lead and zinc will, however, obtain a sale in the Old Country through high tariffs; in the case of copper, the protection being four cents a pound.

CONTROL OF DUMPING  
In addition to the 10 per cent preferences on lumber and fish, which is the existing rate and which has proved totally ineffective, there is a promise that Russian dumping will be controlled.

This is unsatisfactory to both the lumber and fishery interests of Canada. In addition to Russian competition, Canadian timber has to meet competition from Finland, Latvia, Norway and Sweden, and this situation is not taken care of by the proposed dumping control, which aims at "State-directed dumping" only.

Similarly, British Columbia salmon meets Japanese competition as well as Russian in Britain, and this will not be covered by the Russian formula written by Lord Halifax.

## GOVERNOR TO BE WELCOMED

Public Reception to Be Held at Legislative Chamber on August 30

Public reception to Their Excellencies the Earl and Countess of Beasborough will be held in the Legislative Assembly Chamber at 9:30 on the morning of the arrival of the viceregal party, August 30. It was stated yesterday at the Provincial Secretary's Department. Full naval and military guards will be part of the ceremony, final details of which will be announced later.

Acting on instructions from the Governor-General, officials of Government House and the Provincial Government are preparing plans for the public reception, which will be without display of any kind.

According to the arrangements, still tentative, the public will file past the viceregal party at the data in the Legislative Assembly Chamber, entering by one door and leaving by another, without unnecessary delay. Public galleries will be closed for the event, it is anticipated.

The arrangements will follow the same lines as laid down for the reception tendered to Lord and Lady Willington, in 1929.

SIR JOHN MIDDLETON GRANTED PERMISSION TO RETIRE FROM POST  
LONDON, Aug. 19 (CP).—Sir John Middleton is granted permission to give up his post as Governor of Newfoundland, it was announced tonight by the Dominions Office. He will leave in November for a month's furlough, prior to his retirement.

## EMPIRE DELEGATIONS CONCLUDE TREATIES FOR GREATER TRADE

Final Meeting Before Plenary Session Today Lasts Until Late Hour as Decision Is Made on Extent of Public Announcements—Empire Preferences Complete After Long Struggle

Summary of Separate Pacts To Be Announced at Meeting  
OTTAWA, Aug. 20 (CP).—At 1:30 o'clock this morning what was assumed to be the final session of the Imperial Economic Conference was concluded when Rt. Hon. Stanley Baldwin, leader of the United Kingdom delegation; Rt. Hon. R. B. Bennett, Prime Minister of Canada and chairman of the conference, and heads of the other delegations finally left the centre block of the Parliament Buildings.

## TRADE GROUP FIXES RULES

Empire Content, Export Bounties and Antidumping Duties Are Outlined

OTTAWA, Aug. 19 (CP).—Empire content and export bounties and antidumping duties within the British Commonwealth are dealt with in resolutions approved by Committee No. 1 of the Imperial Conference. This is the main committee dealing with promotion of trade within the Commonwealth.

As stated already, the question of Empire content is left to the various Governments to decide. A great degree of uniformity throughout the Empire is desirable, however, the resolution declares. Also, standards required should not be such "as to defeat or frustrate the intention of preferential rates conceded on any class of goods."

NO EXPORT BOUNTIES  
Canada does not extend any export bounties, so the resolution passed in regard to them does not affect this country, except in so far as it applies to special duties imposed in view of adverse exchange. The resolution expresses the hope that, with rising commodity prices and stabilized exchanges, means for adjusting conditions due to adverse conditions may be withdrawn.

The text of the final resolution follows:  
"The committee has considered the item on the agenda of the conference on the determination of the percentage of Empire content necessary to secure preferential tariffs. The committee suggests that the conference should draw the attention of the several Governments of the Commonwealth to the importance of this subject and should recommend each of the Governments of the Commonwealth to investigate as rapidly as possible the

## JOHANN SCHÖBER DIES AT VIENNA

Was Former Chancellor of Austria and Important Figure in Political Life of Country  
VIENNA, Austria, Aug. 19.—Former Chancellor of Austria, Johann Schöber died tonight at a sanatorium at Gutesbrunn, near here. He was fifty-eight years of age.

Dr. Schöber had been an important figure in Austria's political life for many years. In addition to serving as Chancellor, he at various times held numerous Cabinet posts, notably as Foreign Minister, Finance Minister, Interior Minister and Vice-Chancellor.

He was Austria's Foreign Minister when the Vienna Government and Germany attempted to effect a union on the part of France, and after protests had been carried to the World Court both Germany and Austria gave up the scheme, were injured.

## Temperature Near Record In England

LONDON, Aug. 19.—Londoners, to whom a temperature of 75 degrees Fahrenheit is hot weather, sweltered in one of the greatest heat waves in English history today. At 3 p.m. the thermometer indicated 96, just one degree under the London record for all time set in August, 1911. All Western Europe suffered from the same amazing wave of heat.

## Smashing of Atoms May Unfold Secret Of Immense Value

German Scientists Describe Experiments With High-Power X-Ray Tube—To Test Beta Rays for Possible Cure for Cancer

BERLIN, Aug. 19.—Smashing of the atoms of lead, second heaviest metal, with the new high-power German X-ray tube was described in detail today by two young scientists, Arno Brasch and Fritz Lange, who said they believe they are close to solution of the long-sought secret of the constitution of matter itself.

Their giant power tube, smashing atoms by the millions, disposes of the myth that "unlocking the energy of the atom" might some day produce explosive energy capable of destroying the world, they said.

SEEK CANCER CURE  
They will soon start experimenting with the rays of the new tube to determine their effectiveness against cancer.

Brasch and Lange were seen at the Physics Institute of the University of Berlin, where they are working far into the night setting up a still more powerful tube, with which they hope to disintegrate the atoms of uranium, heaviest of all elements.

Atoms hitherto disintegrated by scientists have been "light" in the sense of comparatively few electrons and protons.

## CHURCH WILL BE SOLD AT AUCTION

Balliff Takes Possession Following Dispute Between Factions of Congregation  
HAMILTON, Aug. 19 (CP).—A balliff was placed in possession of the Wesleyan Presbyterian Church here today by a trust company acting on behalf of a group in the congregation, Rev. W. J. A. Jason, Graham, Westdale pastor, announced tonight.

All goods and chattels, including hymn books, Bibles and communion vessels, were said to have been taken by the balliff in the seizure, which Mr. Graham characterized as a "high-handed piece of business."

Following a dispute between two factions of the congregation, one headed by the minister and the other by Colonel J. Moodie, the trust company decided to proceed under its mortgage of \$50,000. The church will be sold at auction next week.

## BRITISH EMIGRATION EXCEEDS IMMIGRATION

LONDON, Aug. 19 (CP).—For the first time the outward flow of emigrants from the United Kingdom has fallen below the total of immigrants.

Figures for the year ending March 31, 1932, reported by the Overseas Settlement Committee, show that emigrants numbered only 34,310 and the excess of arrivals over departures was 37,072, compared with an excess of departures over arrivals of 25,955 in 1931.

## CHARMED WITH ORIENT VISIT

Prominent Lawyer of Montreal Received Many Courtesies From Japanese

Charmed with his visit to Japan, where he found the people most obliging and anxious that he and his wife should see everything worth seeing during their stay in the Island Empire, J. P. Lancetot, of Montreal, could not adequately express his appreciation for the many courtesies he and his wife had received, he stated, when interviewed on the arrival of the Canadian Pacific liner Empress of Japan here last evening.

Mr. Lancetot was not conversant with what was happening in his native province to make any statement politically. He stated he had not been in touch with home since he left Montreal on his present holiday, two months ago. It was purely a pleasure tour, from which he and his wife were returning.

Mr. Lancetot expressed great delight over the possible happy outcome of the Ottawa Conference, having heard only the most meagre details of what had been taking place through the wireless advice to the ship. He was disappointed on learning that the matter of currency had not been dealt with by the representatives of Empire countries gathered at Ottawa.

A prominent lawyer of Montreal, Mr. Lancetot is also the Conservative organizer for the Province of Quebec. Mr. and Mrs. Lancetot left the Canada here and proceeded to Seattle, and will travel East from the Puget Sound city over Great Northern line.

Improved traffic signals are proposed by the British Medical Association because of the many instances which have arisen of unsuspected color blindness.

standard of Empire content which should be required by law for the importation under preferential rates of the different classes of goods, bearing in mind:

TO DECIDE STANDARDS

(1) That, though it must rest with each Government to decide what standard it will require, a greater degree of uniformity throughout the Commonwealth is desirable;

## SCHOOLS READY FOR FALL TERM

Many Improvements Have Been Carried Out During Past Two Months

Extensive school improvements have been carried out in the city during the past two months, and all institutions are now ready for the Fall term, which commences September 6, it was learned at the City Hall yesterday.

The greatest improvement made is at the Spring Ridge School, where entirely new sanitary arrangements have been installed. The building also has been repaired and painted. Painting and kalsomining, has been done at the North Ward, Victoria West, South Park, George Jay and North Quadra Schools.

The greatest change the students will see on their return will be at the Victoria West School, where the new playing fields have been completed.

A meeting of the trustees will be held early next week to complete details regarding the opening of all schools. No new appointments are expected to be made, however. It is expected that this school will be left until after the October term to see if there is an increase in the enrollment.

long, long hop, as previously planned, would be too much of a strain.

TO VISIT MONTREAL

In order to have "a jolly good rest," Captain Mollison will not take off for a continuation of his flight to New York until 1:30 Saturday afternoon. He has accepted an invitation from officials of the Montreal air pages to fly to St. Hubert airport, where a big welcome will await him. He will leave from Montreal for New York as soon as the welcoming ceremonies have been completed.

In the meantime, while his plane is being overhauled here tomorrow, he will attend to his civic luncheon tendered by James W. Brittain, Mayor of Saint John, at which Hon. C. D. Richards, Premier of the Province, and other prominent men will be guests. Tomorrow's luncheon is expected to take place before noon, in order that the intrepid young aviator may have an hour or so to inspect his ship before taking the air at 1:30 p.m. (A.S.T.).

## AMERICAN RECEIVES NEWS

LONDON, Aug. 19 (AP).—Amy Johnson, aviation record-holder, and wife of Captain J. A. Mollison, was seated at luncheon with some friends in a West End hotel yesterday when word was brought to her that a plane like that in which her husband started on his transatlantic flight had been sighted over Halifax.

"Oh!" she cried, "I'm sure it's Jim." But she was nervous.

She and her friends went upstairs to her suite, where confirmation was brought to her a few minutes later. "Isn't it wonderful?" she said. "I knew Jim would do it. I feel much easier now. I know the return journey is not easy, but in comparison with the outward trip it isn't so bad. I don't know exactly what Jim's plans are. If he has enough fuel he may make for New York nonstop."

## BRITISH COLUMBIA'S COMPENSATION BOARD UPHOLD BY TRAINMEN

VANCOUVER, Aug. 19.—Endorsement of the present Workmen's Compensation Board and suggestions that certain schedules under the act be increased, were adopted by the Brotherhood of Railway Trainmen of British Columbia at the triennial organization meeting in Vancouver.

Objection to the constant changing of school textbooks and to their cost was also voiced. The railway men urged that books be supplied at cost under supervision of the school principals.

Officers elected were: Chairman, A. Sutherland, Nelson; vice-chairman, J. Hammond, Revelstoke; secretary, R. M. Walker, Victoria.

## SMASHING OF ATOMS MAY UNFOLD SECRET OF IMMENSE VALUE

Dr. Brach said it is planned to test the effectiveness of the "Beta rays" of the powerful tube on animal, and then perhaps on human, cancer.

The intensities of these Beta rays (streams of electrons), he stated, equal in effect those of 100 kilograms of radium, a figure far in excess of the world's entire radium supply, estimated at around 350 grammes.

Explaining these Beta rays are different from the X-rays generally used on cancer, Dr. Brach said, "Beta rays penetrate the skin more deeply."

## TRADE AGREEMENT IS DISAPPOINTING TO B.C. INDUSTRY

Continued from Page 1

British Columbia lumber and business interests are aghast at the meagreness of the preferences and are making desperate last-minute efforts to effect more satisfactory arrangements.

ARE STUDYING REPORTS

Pending final advice from Ottawa, Premier Tomin and all members of the Cabinet yesterday studied such messages as came through from the Imperial Economic Conference. Lumber, it was realized, was the critical point of application of British preferences, vitally concerning this province.

In unofficial messages from the East the Government was advised that Canada had won "a promise of control of Russian dumping" and of direct preference. Further explanation of the means of control was being awaited with interest. The preference, it was admitted, would be helpful, but effective control of Russian dumping in the United Kingdom market is considered vital to extension of Canadian lumber exports.

INCREASED PREFERENCE

In bilateral pacts Canada is said to be assured of an increase from 10 per cent in the preference granted lumber by South Africa. South Africa took 33,000,000 board feet of British Columbia lumber in the last year and a half years, as follows: 17,685,000 in 1929, 13,120,000 in 1931, and 3,114,000 in the first seven months of this year.

The increase of 7 per cent in the Canadian benefit from South Africa preference would be valued, it was said. At the same time, the South African market is dominated by Baltic lumber shipments, and a preference alone would not of itself assure much extension of British Columbia markets there.

The preference on British Columbia lumber in the United Kingdom market, it was felt, would serve to give this province a greater share of the British market, and that market, if not the entire movement, in seven months this year British Columbia shipped 70 per cent of British Columbia requirements from this coast.

IMPORTANT MARKET

Shipments of British Columbia lumber to Britain between January and July this year were approximately 500,000 board feet, being 70 per cent of all Pacific Coast lumber movements to that market. This compares with 47 per cent of the business obtained last year, and only 12 per cent the ratio of a few years ago. Total Pacific supplies from Britain in lumber have reached as much as 300,000,000 feet a year, an important factor in itself.

Share in a very much larger market, however, rests on the degree of control that Britain may find it possible to exercise as to Russian dumping of lumber into the British market, but that, it is believed, has not been obtained. The same point applies to Canadian fishery products, notably salmon.

While Government comment was reserved pending receipt of official advice, news received yesterday was regarded as encouraging, and capable, at its best, construction, of very substantial benefits to British Columbia primary industries.

The lumber is regarded as a leading factor in the Empire's trade, and assurances given in that regard were officially classified as "not unpromising."

PREFERENCE FOR APPLES

PENITENTIA, Aug. 19.—A preference of 55 cents per hundredweight of apples into the United Kingdom market should prove a boon to British Columbia fruitgrowers, more especially when better market conditions are restored and the monetary system becomes normal, in the opinion of E. J. Chambers, president of the Associated Growers.

Mr. Chambers, who returned yesterday from Ottawa, expressed the belief that comparative preferences should also be granted on soft fruits. This would chiefly benefit Eastern Canada, but might help British Columbia cherries.

In addition, he anticipates preferences for canned fruit and processed fruits.

## B.C. INDUSTRIES PRAISED ABROAD

Tour Arranged by Government Is Reviewed in Excellent Article in London Times

VANCOUVER, Aug. 19.—Two excellent articles, giving an intelligent appreciation of British Columbia's chief industrial potentialities, were published in The London Times upon the return to England of the party of tourists guided through this province some weeks ago by a representative of the British Columbia Government.

The lumbering, fishing and fruit-growing industries were discussed and an analysis of the position of each was given, especially in their relation to the Empire conference deliberations.

The writer brought to the attention of his Old Country readers:

1. The exceptional merits of Douglas fir and the desirability of giving it a quota in the United Kingdom market.

2. The unique marketing problem of the Okanagan growing and the desire for a British duty against non-Empire fruits.

3. The superb quality of the salmon and halibut caught in British Columbia waters, and the claims of the fishermen for preferential treatment in the British market.

The scenic attractions of the province from a tourist standpoint, equivalent to twenty Switzerland, were glowingly described.

## BANDITS ROB STORE

VANCOUVER, Aug. 19.—A lone bandit, Wilbur, the grocery store, Oak Street, at 5:40 p.m., and at the point of a gun, held up two clerks and robbed the cash register of \$25. It was a daring robbery, the young gunman claiming a mask and carrying out his job with the coolness of an old hand at the game. It is believed an accomplice whisked him away in a waiting automobile, following the robbery.

## QUICK REIGNS ON FARM FRONT

Movement to Get Higher Prices Appears to Be Spreading in Iowa

SIoux CITY, Ia., Aug. 19.—Extreme quiet, both along blockaded highways and in livestock and produce markets where truck receipts have declined, today marked the farmers' strike against the movement to get higher prices by spreading in nearby parts of Iowa, Nebraska and South Dakota.

Demand that neighbors of strikers cease marketing brought a drastic reduction in receipts of livestock and produce here by block, though rail shipments were unhampered. Truck receipts at the local stockyards were approximately one-fifth of those a week ago, before the strike was called.

EMBARGO EFFECTIVE

The highway embargo was also effective on butter, eggs, milk and other produce, and milk dealers depended on the railroads for supplies.

Strikes leaders reported their aim was spreading. Further action was planned, they said, to stop stock and produce here by block, though rail shipments were unhampered. Truck receipts at the local stockyards were approximately one-fifth of those a week ago, before the strike was called.

The highway embargo was also effective on butter, eggs, milk and other produce, and milk dealers depended on the railroads for supplies.

Strikes leaders reported their aim was spreading. Further action was planned, they said, to stop stock and produce here by block, though rail shipments were unhampered. Truck receipts at the local stockyards were approximately one-fifth of those a week ago, before the strike was called.

## SMASHING OF ATOMS MAY UNFOLD SECRET OF IMMENSE VALUE

Continued from Page 1

Dr. Brach said it is planned to test the effectiveness of the "Beta rays" of the powerful tube on animal, and then perhaps on human, cancer.

The intensities of these Beta rays (streams of electrons), he stated, equal in effect those of 100 kilograms of radium, a figure far in excess of the world's entire radium supply, estimated at around 350 grammes.

Explaining these Beta rays are different from the X-rays generally used on cancer, Dr. Brach said, "Beta rays penetrate the skin more deeply."

## QUICK REIGNS ON FARM FRONT

Movement to Get Higher Prices Appears to Be Spreading in Iowa

SIoux CITY, Ia., Aug. 19.—Extreme quiet, both along blockaded highways and in livestock and produce markets where truck receipts have declined, today marked the farmers' strike against the movement to get higher prices by spreading in nearby parts of Iowa, Nebraska and South Dakota.

Demand that neighbors of strikers cease marketing brought a drastic reduction in receipts of livestock and produce here by block, though rail shipments were unhampered. Truck receipts at the local stockyards were approximately one-fifth of those a week ago, before the strike was called.

## MORE BOWLING GREENS URGED

Mayor Leeming Inquires Into Cost of Comprehensive Park Programme

A comprehensive programme of park development along the lines of increasing the bowling green area in Victoria is proposed by Mayor David Leeming as a means of securing return for the money spent in direct relief in the city.

The Mayor stated yesterday that he had asked for estimates on the cost of laying out bowling greens in the Macdonald Estate Park, Holywood Park and Royal Athletic Park.

Work of this character entails little expenditure for material and would give the city a return for the money it spends on direct relief.

Another point in favor of the scheme, the Mayor stated, is that these greens could be laid out and

turned over to a neighbourhood club so that their maintenance would not be the responsibility of the city once the greens were established.

Justifying this scheme of development, the Mayor pointed out that during the recent tournaments 112 persons played at the Beacon Hill greens, forty on the C.P.R. greens and eighty on the Burnside greens, all at one time.

"I think it is a good thing to foster interdistrict sports and this type of playing field is easily and economically installed. Since we have to pay out money for direct relief, we might just as well get something in return, and the development of the city's parks along this line is a good one, I believe," the Mayor stated.

Mayor Leeming said he was considering also the practicability of establishing more municipal tennis courts and the development of the Savory property on the corner of Cook and Pembroke Streets as a park area.

## YOUNG PASTOR TAKES CHARGE

Rev. G. B. Switzer Inducted Minister of Oak Bay United Church

REV. G. B. SWITZER

Victoria Presbytery of the United Church last night inducted one of the youngest pastors of the denomination in the induction of Rev. G. B. Switzer as minister of the Oak Bay United Church.

The service was attended by six other ministers of the United Church and a big congregation, which listened with great interest to the two addresses. These were delivered by Rev. J. C. Switzer, father of the young minister, who pointed out the duties of the pastor, and by Rev. Dr. E. A. Henry, of Fairfield United Church, who addressed the congregation.

Thomas Keyworth, secretary of Victoria Presbytery and minister of Sidney United Church, presided, and other ministers of the United Church present included Rev. M. Nuttall, of Powell River; Rev. Dr. J. K. Unsworth, Rev. A. M. Menzies, and Rev. E. F. Church, of Metropolitan Church.

The musical part of the programme consisted of congregational hymn singing and a vocal quartet, "Lead Me, Lord," sung by Mrs. Sidney Johnson, Mrs. K. Collett, George Brunell and Jack Collett, with H. Hollins as the organ.

The entire congregation subsequently repaired to the social hall, where, during the serving of refreshments by the women's auxiliary, under Mrs. F. Johnson, president, and Mrs. J. Sutton, convener, everyone had an opportunity to welcome the new minister.

## ENTRIES WILL BE RECEIVED TODAY

Many Children Inquire About Pet Parade to Be Held During Fair Week

Starting today, entries for the children's pet parade to be held in the Horse Show Building at the Willows Fair next Saturday will be received at Litchfield's, Ltd., 1109 Government Street.

Alderman Litchfield, chairman of the committee in charge of the arrangements, stated yesterday that many inquiries had been received so that a good parade should be assured for the fair. The parade commences at 2.30 o'clock in the afternoon. George Allison will be the manager.

No entrance fee will be charged as this is strictly a children's event and is open to every child under twelve years of age. Entries will be received up to 1 o'clock next Wednesday afternoon.

There are nine classes in the event and \$100 in prizes.

## ACID STOMACH IS DANGEROUS

Sufferers From Indigestion CUT THIS OUT

"Stomach trouble, dyspepsia, indigestion, sourness, gas, heartburn, flatulence, etc., are caused nine times out of ten by chronic acid stomach," says a well known authority.

Burning hydrochloric acid develops in the stomach at six o'clock in the morning and continues to increase until noon. It irritates and inflames the delicate stomach lining and often leads to gastritis or stomach ulcers. Don't do this to yourself. Stomach with peptic or artificial dyspepsia that only give temporary relief from pain by driving the acid, fermenting food out of the stomach into the intestines.

Instead, neutralize or sweeten your acid stomach after meals with a little Bismarck Mints. Bismarck Mints are not only safe, but they are pleasant to use. It is not a laxative and it is not at all expensive. (Adv.)

## Churches in Britain Pray For Conference

Lord Hailsham, one of the British dietitians, in a letter of thanks for an invitation to attend a meeting for prayer under the auspices of the World's Evangelical Alliance, said that there was "no more critical conference that has ever been held."

In the spirit of Lord Hailsham's letter, large attention was given by the churches in England to the Ottawa gathering. In numerous churches throughout Scotland, also, special prayers were offered. Requests were also made that the conference and its issues be made the subject of private and family intercessions.

The investigation to date has revealed that out of a list of 208 patients debilitated by the Proton Government to Victoria, fifty-eight are not city civic charges.

## COST OF MENTAL CASES LOWERED

Investigation by Relief Committee Points Way to Saving of \$10,000

An annual saving of more than \$10,000 in the cost of mental patients in the Esquimalt Hospital will be effected by the city if an investigation being conducted by the relief committee of the council is carried through to a successful conclusion.

The investigation to date has revealed that out of a list of 208 patients debilitated by the Proton Government to Victoria, fifty-eight are not city civic charges.

The annual cost of Victoria patients contained in the list presented to the city by the Government amounts to \$36,968. Deletion of the fifty-eight patients found to be from adjacent municipalities or Orientals would lower the cost by \$10,440.

Yesterday the Government filed with the city an entirely new list of these receiving mothers' pensions who were charged upon the city. This list, which is a revision of the original, contains 100 names and places the annual cost at \$48,928, which is more than was originally estimated.

## WILL INSTRUCT IN LIFESAVING

Lifesaving instruction classes will be conducted at the city's bathing house at the Gorge by Ralph Alcock, lifeguard, it was announced at the City Hall yesterday.

The first class will be held on Monday at 10 a.m. and subsequent classes of instruction will be held on Mondays, Wednesdays and Fridays at the same hour until the close of the season.

During the past two months, Mr. Alcock has been giving courses of instruction in swimming. More than 200 children have learned to swim this year under Mr. Alcock's tuition.

## CONTESTS SEAT IN TWICKENHAM

Hylton Murray-Phillipson Selected by Conservatives for By-Election Next Month

LONDON, Aug. 19 (CP).—Hylton Murray-Phillipson was selected from twenty aspirants to contest the Twickenham by-election in the Conservative interest.

The by-election, necessitated by the death of the former Conservative member, Sir John Ferguson, has been postponed until September, in order to avoid holiday electioneering.

Murray-Phillipson, grandson of the late Lord Herring, has large property holdings in the Twickenham district, and strong Imperial interests, which may induce Lord Beaverbrook's Empire Press to refrain from submitting a candidate.

P. Homan, defeated in the general election of October 27, 1931, will again contest Twickenham for the Labor party. It is possible there may also be a Liberal candidate.

Twickenham is generally regarded as a safe, but expensive Conservative preserve. It gave Sir John Ferguson a majority of more than 25,000.

## SEVEN INDICTED ON LODGE SWEEP

Senator Davis, of Pennsylvania, and Six Others Charged With Operating Huge Lottery

NEW YORK, Aug. 19.—The indictment of Senator James J. Davis, of Pennsylvania, and six others, on charges of participating in far-flung interstate lotteries stirred interest in lodge circles throughout the nation today as the accused men denied any wrongdoing.

Senator Davis notified the United States attorney's office through a lawyer here that he would appear August 30 to plead to indictment.

The Western Union Telegraph Company, also indicted, will enter its plea next Wednesday, as will M. J. Reville, of the Telegraph Company, and Bernard C. McGuire and Raymond Walsh. The remaining defendants, Conrad Mann, Theodore Miller and Frank Herrington, have not yet been heard from at the Federal Building.

Davis, former Secretary of Labor, is alleged to have played a part in a lottery as director-general of the Loyalty Order of Moose.

Federal officials said about fifty million tickets, costing \$50 and \$1, were issued. Lodge officials said the purpose was to raise charity funds.

## KIDD REPORT IS NOW RETURNED

Few Secrets Left in Document—Cost Said to Be \$10,000

Three days before it was due, the report of the Kidd Committee on provincial affairs was returned finally to the Government yesterday.

Premier Tolmie announced the Cabinet would decide shortly the disposition of the report, in so far as the Government is concerned. Meanwhile, he declined to comment on the submissions, or to indicate whether or not any alteration had been made by the committee during its final review of the document.

In circles apart from the Government it was being said that actual preparation of the report and the assembling of the data, etc., had cost in the neighborhood of \$10,000, and this cost would be borne by voluntary donation from associations joined in the venture, as well as by private individuals. It is assumed that donors to this fund have received their copies of the document, or will yet do so.

## PIONEER PASSES AT ST. JOSEPH'S

William Robert Hornsby, Resident of Victoria Forty Years, Died Yesterday

Another name was erased from Victoria's list of living pioneers with the death of William Robert Hornsby at St. Joseph's Hospital yesterday morning.

Born in Manchester, England, in 1871, Mr. Hornsby came to Victoria forty years ago and was employed at the Albion Ironworks; he later entered the hotel business with his wife, the late William Jensen, proprietor of the old Dallas Hotel.

Almost thirty years ago Mr. Hornsby entered the Dominion Civil Service, and has since that time been employed in the Customs and Excise branch here, being assistant appraiser at the time of his death.

For some years he was secretary of the Victoria Choral Society and was an associate member of the Arlon Club.

He is survived by his widow, one sister, Mrs. Walter Harris, 136 Medina Street, and three brothers, Edwin in Victoria and John and George in England.

Funeral arrangements will be announced later.

## FUNERAL AT CATHEDRAL

Many friends gathered on Friday afternoon at Christ Church Cathedral for the funeral service of Reginald George Dickinson, whose death occurred on August 7. Very Rev. Archdeacon Laycock conducted the service, during the course of which those assembled joined in the singing of the twenty-third Psalm, and the hymns, "Where the Light Forer Shinneth" and "Peace, Perfect Peace."

There were many beautiful floral offerings. Interment was made in Ross Bay Cemetery, the following acting as pallbearers: M. F. Hunter, W. Allan, S. G. Bolton, B. Hanning, E. S. Meldrum and H. B. Elworthy.

## AT ST. ANDREW'S

Funeral service was held at St. Andrew's Cathedral yesterday morning for Mrs. Margaret Townsend, when mass for the repose of her soul was celebrated by Rev. Father Gaudette. Interment was made at Ross Bay Cemetery.

## LAID TO HIS REST

The funeral of Wilfred Andrew Macdonald, who died at the Jubilee Hospital on Monday, took place yesterday afternoon from the Sands Mortuary Limited's Chapel. There was a large attendance and a profusion of flowers. Rev. Dr. Davies officiated. The hymns sung were "Safe In the Arms of Jesus" and "Jesus Loves Me, This I Know."

The pallbearers were Charles Carlow, Richard Milne, Harold Piton, David Ford, Percy Genis and Peter Bay Cemetery.

## LAST RITES RAID

Funeral service for Mrs. Rachael Mary Wiper was conducted yesterday afternoon by Adjutant Roger J. Thierstein, in the presence of relatives and many friends. Three hymns were sung during the service, "Safe In the Arms of Jesus," "Near to Thee" and "Abide with Me." Interment was made at Royal Oak Burial Park, the following acting as pallbearers: V. Griffith, P. A. Graham, George Wiper, John Conway, J. S. Whiting and J. W. Matthews.

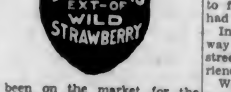

## FUNERAL TODAY

Funeral will be conducted this afternoon at 3 o'clock, at St. Andrew's B.C. Funeral Chapel by Rev. Mr. Allen for Mrs. Eliza Jones, who died on Wednesday. Interment will be at Royal Oak Burial Park.

## FUNERAL ON MONDAY

The funeral of Mrs. Gertrude Stratford, who passed away at an early hour yesterday morning, will take place on Monday afternoon at 2 o'clock from the Sands Mortuary Chapel, and the remains will be laid at rest in the Royal Oak Burial Park.

## Just Roamin' Around

BY TWO ROVERS

It is very possible that you, Mr. Reader ("or Mrs. Reader, Master!"), have not yet agreed with what we are going to write about today.

You see, we two rovers are not either carriage folk or motor folk. We are old-fashioned. Of course, we never have been and possibly never will be possessed of any other means of locomotion than our two legs; "shanks' mare" has always been our main standby. Of course, occasionally, we have the price of a carfare or a busfare, but that is the exception.

When we do have the where-withal to purchase our transportation, we more often bow ourselves to a street car ride than on a bus ride. We are old-fashioned to a degree. It is true that a motor bus can go anywhere, whereas a street car is limited to the rails that are only laid down on certain streets. But, two rovers are used to limited areas and limited districts and streets, and means, and we do not consider it a hardship to have to walk a block or two, at any time, to reach our destination after we have had a "jolly trip on the trolley."

**OAK BAY TERMINUS**  
We have been, at some time or other, in every part or section of this city. We have ridden on every car line, and we have waited at almost every corner for cars, at some time or another, in the past fifteen years. We have also stood at each and every terminus to await the last car to town; and have even stood to find that the last car to town had gone.

In fact, there is very little in the way of adventure connected with street cars that we have not experienced.

We shall ever be boosters for the company that provides us with street car transportation in this city. We shall ever have nice things to say about the operation of the system that conveys so many workers to and from their work, so many happy citizens to parties and home again; and we shall ever say only nice things about the courtesy we have always found extended to

Electric; so, what we say about the Oak Bay terminus, you can bet your boots is not in the nature of a serious complaint, but rather in the form of a gentle hint or suggestion to the officials in charge to make the Oak Bay terminus, what it is certainly not today, a "thing of beauty and a joy forever."

**A PREHISTORIC RUIN**  
Oak Bay is lovely! Its bay is beautiful! The view over the water to San Juan is a delight! There are homes and gardens all around in Oak Bay that would charm anyone. Everything in Oak Bay is entrancing and attractive, including the people, and especially the feminine population!

But—the terminus of the street car line is a disgrace. There is a ruin of a shack in the centre of the circle, or loop, that is worse than an aggravation. A nicely situated waiting room, in its place, would make everyone who uses the car line love the company; and the disappearance of the wretched old shack would be greeted with loud cheers by all the inhabitants, and two rovers who will bless the B.C. Electric the day a change for the better is made!

**"SANDWICH WOMEN" PARADE**  
"Sandwich women" are appearing in numbers on the streets of Paris and stroll along in a sort of fashion parade. They carry parasols and their frocks cannot go unremarked, for haunting from the back of the parasol is the legend: "My frock costs so much at 80-and-80s."

### FAMOUS HUNTER STARS IN FILM

Frank Buck Offers Thrills in "Bring 'Em Back Alive" at Dominion Today

Frank Buck, who is responsible for most of the Far East wild animal pictures seen in the American movie and circus, and who is the author of "Bring 'Em Back Alive," the feature at the Dominion Theatre, figured in a new enterprise when cinematographers were added to his expedition through the Malayan jungles to film authentic scenes for the R.K.O.-Van Beuren picture of his famous book.

"This time we had a camera along for the first time," he reminisced.

## SECURITY ACT CHARGE LAID

### Attorney-General Launches Prosecutions Under Registration Law

Unexpected sequel to a stock-selling drive staged in Victoria last Spring, when holders of Boundary Bay oil stock were approached to trade their shares for those of the Delta Gas Company, Limited, paying a cash difference, occurred yesterday, when proceedings were set in motion by the Attorney-General's Department against three Vancouver salesmen for alleged infraction of registration provisions of the Security Frauds Prevention Act.

Acting through the Provincial Police, informations were laid by Detective Carl Ledoux, naming William L. Turf, Alfred G. Pearce and W. Warren Cottrell in complaints brought before Magistrate J. J. Prior on August 9, and alleging trading in shares in contravention of the act, while not being either registered brokers or the salesmen of brokers registered under the Security Frauds Prevention Act.

No complaint rested against the Delta Gas Company, Limited, it was explained, but only against the three individuals, as salesmen. Hearings are to proceed before Magistrate Jay in the Victoria court on Tuesday. Attorney-General Pooley stated W. H. Bullock-Webster would handle the case for the department.

## PENSION INQUIRY IS BEING SOUGHT

### City Council Will Discuss Question of Allowances Being Given to Asiatics

A complete investigation into the administration of mothers' pensions by the Provincial Government is urged in a resolution that has been passed by the Dunsmuir Council and which has been sent to the City Council for endorsement.

It is pointed out in the letter on the subject that the City Clerk, at the instance of Asiatics receiving mothers' pensions have been discovered and that an investigation into the cost of living has raised the question of whether the present pension scale should be revised.

The resolution asks that the Government review the pension system with a view to a general reduction in the scale of allowances; that pensions be paid to British subjects only and that Asiatics be eliminated from the present list.

Questions raised in this communication will be discussed at the next meeting of the City Council.

ANSWER TO YESTERDAY'S PUZZLE

## TIME AT SEA IS ACCURATE

Wireless Has Revolutionized Methods Prevailing for Long Period

Ever since John Harrison, the Hull carpenter, evolved a chronometer in 1700, the science of keeping time on board ships at sea has become more and more accurate, until today the average ocean passenger liner has at its disposal a combined knowledge of the world's observatories transmitted by wireless and recorded by electric clocks. There is, in fact, no excuse for being late nowadays aboard ship.

In the old days the chronometer served within a varying degree of accuracy to acquaint a captain with the time of the day or night, which was checked with the aid of observations of the sun and stars. Since the introduction of wireless telegraphy, it has been possible to keep a check on the chronometer of which every well-found ship carries three. Each is especially constructed to remain level when the ship is pitching and rolling, and is contained in a glass case maintaining an even temperature. In spite of this, there are always slight errors which are journalized. "Time is checked from time signals sent out from some forty different observatories all over the world, the signals being a broadcast of actual ticks of the observatory chronometer over a

## Challenger Won Second Race for Seawanhaka Cup

ROTHESAY, Scotland, Aug. 19 (AP).—The United States challenger Jill today took a commanding lead in the series of races for the Seawanhaka Cup, defeating the Scottish defender Maiden for the second successive day. The winner will be decided on the best three out of five races.

period of five minutes," says Commander J. G. Bisset, R.D., R.N.R., in his fascinating book, "Ship Ahoy."

**USED FOR CHECKING**

"As a result of these facilities for checking the chronometer, the average ship nowadays only carries one chronometer, or, at the most, two. The idea of carrying three before the days of wireless, was so that one could be checked against the other, and in the event of a slight change of rate in any of them, the two that synchronized could be taken as being, in all probability, correct."

How are the ship's passengers to know the time so accurately obtained by the navigating officers on the bridge? Various means have been used, but the modern system known as "Pul-synetic" is probably the best yet devised. By this system all the clocks in the ship's public rooms, engine-rooms, offices, etc., are controlled electrically by a master clock, usually located in the chartroom. The master clock is a strong time transmitter operated by a balance wheel, a pendulum being obviously impossible on board a ship at sea.

**TIME ADJUSTED**

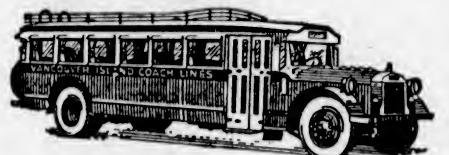

As the ship sails east or west into a different meridian, the time is, of course, advanced or retarded. The "Pul-synetic" impulse transmitter is fitted with an operating key lever and a dial engraved with minutes, so that all the clocks on the circuit are automatically altered as desired. The system is now in general use on most Cunard steamships, including the "A" ships and the Aquitania, as well as the Canadian Pacific liner Ss. Empress of Britain.

The passenger, warned by notice boards of the intended retarding or advance of time each night, and armed with the correct time electrically transmitted simultaneously to all parts of the ship, has little excuse for being late for meals, dances, games or a score of other engagements which modern ship life makes possible.

By the use of the longest railroad rails in the world an English railway company expects to reduce the noise and vibration in its passenger coaches to a minimum.

## CANADA IN FROM FAR EAST PORTS

Liner Docked Last Night With 260 Travelers Aboard—Voyage Was Uneventful

Docking at 10 o'clock last evening, the Canadian Pacific liner Ss. Empress of Canada, Captain A. J. Healey, R.N.R., commander, inbound from the Philippines, brought 260 passengers in all classes, a number of whom were United States tourists from Honolulu, the majority of whom left the liner here and proceeded to Seattle at 1 o'clock this morning. Officers of the ship reported a fine passage from Yokohama, with nothing eventful happening.

Among the prominent travelers arriving on the Canada were R. J. Angus, member of the Chartered Bank of India, Manila, proceeding to England on leave of absence; S. D. Goldstein, official of the Dalay Phillips Underwear Company, New York, returning home after a business visit to the Orient, accompanied by his daughter; Mrs. B. Lauritsen, Manila, prominent business woman and president of B. Lauritsen Company, en route to the United States; W. C. Watkins, managing director of the Swift Australian Company, Brisbane; Mr. and Mrs. Henry Humphreys, socially prominent residents of Hongkong, and Merton E. Brown, Singapore, manager of J. L. Thorncroft.

Others aboard included W. M. Gilmore, of the Siamese Government military survey department, having accompanied by Mrs. Gilmore; Mr. and Mrs. G. D. Nichol, Shanghai, where the former is manager of the Ocean Accident & Guarantee Corporation, en route to the United States; Miss P. D. Vaughan-Morgan, London, returning home after an extended visit in Japan; Fritz Silk, Vancouver, president of Associated Brewers of Alberta and Saskatchewan; E. Dawson, London, wool broker and president of H. Dawson & Company, Ltd.; Mr. and Mrs. J. P. Lantieri, organizer in the Province of Quebec for the Conservative party; Mr. and Mrs. H. E. Roensch, Vancouver, returning home after an extended visit to the Hawaiian Islands; Louis A. Skinner, retired engineer of Singapore, proceeding to London, and the Misses Mary Teeple, Ruth Teeple and Harriet Cameron, of Vancouver, returning from a holiday in Honolulu.

## Holds Junior Record for Long Flight

Robert Buck, a 17-year-old boy, who holds the junior transcontinental flight record, is shown here in the cockpit of his plane in Mexico City, at the completion of a record-breaking flight from New York, N.Y., which covered the 2,530 miles in 17 hours, 5 minutes.

Although the hazard of being struck by a lightning bolt is not much greater than when driving in an automobile, it is a very unnerving experience, even to a veteran aviator. Imagine yourself driving in a car, through a dense fog, and suddenly being picked up bodily and hurled several hundred feet, your course being illuminated by blinding flashes of light, your windshield being hammered by hail with such force that it sounds like half a dozen rivet guns, and the air disturbances hurl you hundreds of feet in another direction, you then have a conception of weathering a storm in the air.

The terrific peals of thunder are not heard due to the roar of the plane's engines, but withal the effect is weird and very startling. Commercial passenger planes are never operated when a storm is threatening and are always warned through the various weather bureaus of pending disturbances and their exact locations.

The flyers made the trip from California to the Mainland airport in exactly 15 hours and 55 minutes.

At a point 100 miles north of the Arctic Circle, in Sweden, is an "electric hotel" used for growing spinach, parsley, dill, lettuce, cucumbers, radishes and cauliflower.

**ENDURANCE RECORD FOR WOMEN BROKEN; FLYERS KEEP GOING**  
CURTIS FIELD, Aug. 19.—Mrs. Frances McCall and Mrs. Louise Thaden approached a new endurance record for women in their "flying boudoir" today and indicated they would go right on flying for several days. At 10 o'clock this morning (Eastern standard time) they had been in the air 116 hours.

The record is 122 hours. To set an official new record they must surpass the old one by at least an hour, which would be 4 o'clock.

## Miss Spencer Returns After Attending Bisley

Youngest Entrant at Ottawa and England Arrives Home, Bringing With Her Amazon Trophy—Expects to Compete Next Year

Miss Gwen Spencer, Victoria's leading rifle shot, returned yesterday from the Bisley meet in England, bringing with her the Amazon Trophy, highest award in the ladies' 100 yards event at England's most outstanding rifle tournament. In this open event she used a regular service rifle, turning in a high score in a large field of entries.

A niece of Major Fred Richardson, of Victoria, Miss Spencer is only twenty-two years of age, with blonde hair and blue eyes. She first started shooting a year ago under the enthusiastic coaching of her uncle, who saw great promise in her.

"How would you like to take up shooting?" her uncle asked one day. "I'd love to," was Miss Spencer's response.

And it was these few words that started Victoria's leading rifle shot on her career to rifle range fame.

**ENTHUSIASTIC PUPIL**  
She lost no time in starting. She took her uncle at his word and insisted that he show her how to shoot immediately.

Her first shot was fired at an improvised range in the basement of the home of her parents, Mr. and Mrs. Fred Spencer, 488 Beach Drive.

Her uncle was so pleased with her that he tried her out at the James Island Rifle Association's range, with the result that she was made an honorary member. From then on she went to her uncle's place on James Island every Wednesday for practice and later entered the weekly matches.

Up to the time she left for Ottawa, last spring, she had only been on the outside range six times. She tried her service rifle at

Heath's Rifle Range and made 99 out of a possible 100 under only fair conditions. Her next time out was under difficult conditions and she made 92. Showing steady improvement, the fourth time Miss Spencer went out to the range she made 97 over the 200, 500 and 600-yard ranges.

"I love shooting and consider it the best of all sports that women can take part in," said Miss Spencer, "and I plan to go back to Bisley next year."

**WINS B.C. MEDAL**  
Last Winter Miss Spencer won the coveted silver medal of the British Columbia Rifle League. At Ottawa she entered the MacDougall match, a military rifle shoot at 200 and 300 yards, but was eliminated in the second stage by one point.

Miss Spencer was the youngest woman to enter both at Ottawa and at Bisley, and while in England she was very popular and was feted wherever she went. She attended the Hendon Air Show and also the Home Show at Aldershot, in which she was greatly interested. Her greatest thrill was seeing the town of her birth, Wigan, Lancashire, which she left when only two years of age.

## Salt Spring Card Party Is Success

SALT SPRING ISLAND, Aug. 19.—A most enjoyable bridge drive, organized by the Salt Spring Island Golf Club, took place last Wednesday evening at the clubhouse, "Barnaby." Fifteen tables took part in playing the master of ceremonies being K. Butterfield, and the club members acting as hosts and hostesses for the tables.

Following supper, the prizes were presented by Mrs. W. E. Scott as follows: Winners of the first, Mrs. H. Johnson and Mr. Peter; second, Mrs. H. Peter and Cyril Wagg.

Among those present were: Rev. Gordon Atkins, Mr. and Mrs. A. Johnson, Mr. and Mrs. C. W. Baker, Mr. and Mrs. Barlett, Mrs. Charlesworth, Mrs. Craig, Miss Doreen Croft, A. B. Cartwright, Mrs. J. Ewing, Mrs. A. B. Elliot, W. P. Evans, Miss G. Genn, Mrs. J. D. Halley, S. W. Hoole, Kenneth Halley, Mrs. A. Inglis, R. Inglis, Mrs. E. H. Lawson, Mrs. Thomas Lang, Mr. and Mrs. Little, Cecil E. Ley, Mr. and Mrs. V. C. Morris, Miss M. McIntosh, D. McIntosh, W. A. McAfee, Ray Morris, H. Newman, H. Nichols, Miss Irene Howard, Mrs. Price, Mr. and Mrs. Putnam, Miss Pash, P. Wilson, Misses Shirley and Brie Wilson, George West, and others.

## Institute Urges Members to Buy Local Products

The Victoria Women's Institute held a well-attended meeting yesterday afternoon in the Burns Hall, Douglas Street. Several reports were received, and a resolution from Cavewon W.I., asking for Government inquiry into the conditions of the mortgage held against the Similkameen Fruit Land Company was endorsed.

The president, Mrs. J. L. White, spoke of the Tudor Rose emblem, and it was decided that the Victoria W.I. would procure the emblem and distribute them. These emblems have been in existence in England for the past year. Wearing the emblem signifies that the person buys for first choice local manufactured products, and secondly, Empire goods. The institute is endeavoring to get the various local mills to display the rose.

Mrs. J. D. Gordon's action to endeavor to have only first-class jam on the market in first-class jars was endorsed. She also demonstrated the new process, which is saving so many of the local crops of loganberries. The dehydrated loganberries are now on the market. Mesdames Sadler, Schmeiz, Gough, Winter and Ramsay were appointed the new ways and means committee.

The president asked all members to help Mrs. Laird, who has consented to convene the Victoria Institute luncheon at the exhibition, September 2, at her home, 27 Olympia Avenue.

PARIS (UP).—We learn from one of the big houses that "Grey, green and brown, for both day and evening wear, are quite as well liked by smart women as the omnipresent navy blue and combinations of grey and brown and green and brown are popular."

From the same source we learn that Lady Doris Castlerose has just ordered an all-brown evening ensemble of crepon with an unusual square neckline and a girdle formed by the shoulder straps that slip through eyelets at the waist and do not cross in the back. A certain fullness is given to the skirt by deep V insets back and front. Lady Castlerose has selected a long oak leaf feather necklace in the same rich tone as her gown.

## Excellent Warm Weather Dish

(Mrs. Mary Morton's Daily Tested Recipe)

**FISH RING SALAD**—Two cups preferred fish; one-fourth cup celery cut fine; one-fourth cup pimiento, one-half tablespoon sugar, one-half tablespoon flour, one teaspoon mustard, cayenne, two egg yolks, one and one-half tablespoons butter, melted; three-fourths cup milk; one-fourth cup vinegar, three tablespoons gelatin soaked in two tablespoons cold water. Separate fish in flakes, add celery and pimiento. Mix dry ingredients, add egg yolks, butter, milk and vinegar. Cook over boiling water, stirring constantly until mixture thickens. Add soaked gelatin. Pour over fish and mix well. Fill ring mold or individual molds. Chill and fill centre of the mold with cucumbers marinated in seasoned sour cream or with cucumber sauce.

## Miss Kilner Married to Mr. Bentley

NANAIMO, Aug. 19.—A pretty wedding took place at high noon in St. Paul's Church, when the Rev. Canon Haslehurst, of Victoria, united in matrimony, Dorothy, eldest daughter of Mr. and Mrs. Frank Kilner, Albert Street, to Mr. Thomas Bentley, only son of Mrs. T. Terry, of Vancouver, and the late James Bentley.

**ATTRACTIVE BRIDE**  
To the strains of the Lohengrin wedding march, played by Mr. Johnson, the bride entered the church on the arm of her father, and was charmingly gowned in an ankle length frock of eggshell satin, silhouetted style, with a lace jacket. She wore the traditional wedding veil, held in place with orange blossoms, and carried a sheaf of lilies and maidenhair fern. Her only ornament was a silver necklace, a family heirloom.

The bride and groom were in a pretty dress of pink silk net, with light bodice and bouffant skirt, with lace trim. Her bouquet was of gladioli and mauve and pink sweet peas. The groom was supported by Mr. Don Kilner, brother of the bride. Miss Lilla MacDonald sang "Because" during the signing of the register.

**RECEPTION HELD**  
Immediately after the ceremony a reception was held at the bride's home on Albert Street, where relatives and friends assembled to greet the bride and groom. The bride and groom were decorated with pink and white streamers.

The guests were received by Mr. Frank Kilner, mother of the bride, who wore a chocolate lace dress, and Mrs. T. Terry, mother of the groom, whose dress was of black lace with a jacket.

A dainty buffet luncheon was served, a feature of which was the three-tiered wedding cake which centered the table.

The bride and groom are spending their honeymoon in Vancouver, and upon their return will reside on Gillespie Street.

The bride traveled in an eggshell flat crepe ensemble with short chocolate coat, with eggshell colored crinoline, and she wore a white turban with shoes to match.

The groom's gift to the bride was a crystal necklace; to the best man a gold cigarette case and to the soloist a brilliant bracelet.

**Nanaimo**

In honor of Mrs. S. Salmon, a recent bride, Mrs. J. Zanini and Mrs. J. Salmon were joint hostesses at a miscellaneous shower in St. John's Hall on Thursday evening. The winners at what were Mr. and Mrs. Parkin and Mr. Woollett won the bean contest. A buffet supper was served, after which the bride opened her presents and thanked her donors for their kindness. Dancing was indulged in until the early hours of the morning.

**Indians Impressed With This Country**

OTTAWA, Aug. 19 (CP).—"They will be very tender and appreciative memories of Canada we shall take back with us," said Sheikh Hedji Abdullah Haroon on the eve of his departure with his family from Canada. His wife joined him in an expression of deep appreciation for the hospitality they received during the life of the Imperial Economic Conference.

Probably among the most interesting delegates to the conference, the Haroon family have been in demand at all social functions. They alone have preserved native dress, and the women of the party attracted much attention everywhere with their beautiful hand-woven saris. The Begum Haroon tonight expressed deep gratitude for the thorough-going hospitality extended them by Canada.

**What Today Means**  
"LEO"  
If August 20 is your birthday, the best hours for you on this date are from 7:15 a.m. to 9:25 a.m., from noon to 2:45 p.m. and from 6 p.m. to 8:30 p.m. The danger periods are from 10 a.m. to 11:45 a.m. and from 3:10 p.m. to 5 p.m.

August 20 will be a day begun with promises and finished with regrets. There will be too many "ifs" to make the "what-might-have-beens" realities for the average person. Horoscopes indicate, however, point to a successful hazard of some kind, and it would be advisable to take a dare.

The child born on this August 20 will have a forceful and attractive personality, free from affectation. It will have qualities of leadership, and will strive to excel in its studies and work. It will be a trifle short-tempered, but will not have a revengeful nature.

Born on August 20, you are visionary and not practical. You are self-reliant, capable of solving all the problems of life, but you have never succeeded in solving your own. If you could only take a common-sense view of your situation, devote your thoughts and attention to the duty just ahead of you—in other words, get on to your job—you would have success within your grasp.

You are a good and interesting talker, as you have read much, and possess a retentive memory as well as the gift of expression. You can, if you so desire, work intelligently in everything and everybody. You know a remedy for everyone's ills—except your own.

Your disposition is agreeable and your nature is a kindly one. You do not economize unless compelled to do so. You are not sensitive, and have a limited sense of humor. You

## Stocks Decline But Bonds Gain At Wall Street

NEW YORK, Aug. 19 (AP).—The Stock Market again vacillated uncertainly today, but ended the session on a decline, rather than an upturn as it did yesterday, and the decline about canceled yesterday's gains.

Stocks ignored sustained strength in bonds, as speculative attention still converged upon commodities, and the market found itself unable to advance in the face of a sag in wheat.

If the upswing late yesterday was in anticipation of the overnight announcement of completion of plans for forming the \$50,000,000 Commodities Credit Corporation, the bullish force of the announcement was largely spent in that advance, stocks opened strongly today, but began to sag after a few minutes.

Stocks were rather actively sold a time in the last hour, but recovered a point or two from the low in the last few minutes. Trading was very dull during much of the day, but the total turnover reached 2,160,150 shares.

J. I. Case was down 6 points at the lowest, but closed off only 3 3/4. Allied Chemical lost 3 1/2 net, and American Telephone 2 3/4. Miscellaneous issues off a point or more included Santa Fe, International Harvester, Union Pacific, Westinghouse, and others.

Reports received by banks that a fairly sizeable amount of hoarded currency is gradually coming out of hiding and finding its way into investment securities found further confirmation today in the action of the bond market, which had one of the best advances of the Summer recovery.

Railroad liens led the way, advancing from 1 to as much as 10 points for the more speculative securities.

The more speculative utility issues also commanded good buying. The industrials were quieter, although their tone was firm.

Foreign government and municipal securities were moderately active with German issues gaining a point or so. United States Government bonds were quieter and their price changes were irregular.

## REVEAL SIGNS OF THE TIMES

Dr. Lamb, Australia, Holds Prophetic Conference at Central Baptist

The special prophetic conference, under the leadership of Dr. Lamb, of Australia, will commence in the Central Baptist Church on Sunday, August 21. This conference, lasting throughout next week, will be a splendid opportunity for the people of Victoria to hear an outstanding student of prophecy speak on subjects of world-wide importance, in the light of up-to-date happenings in Palestine, Russia, China, and elsewhere, and also in the light of the Word of God.

The subjects for Sunday will be: 11 o'clock, "The Wise Shall Understand"; at a great afternoon rally at 3, "Thrilling Conditions Which Give Terrific Urgency to the Second Advent Message"; 7:30 o'clock, "The Watchman's Cry and the Burden of Silence."

The weeknight messages, each night at 8 o'clock, will be illustrated with many magnificent stereoscopic views, as follows: Monday, "Great Events of the Future in Relation to Past Wonderful Happenings"; Tuesday, "The Jews and the Sons of Ishmael in Regard to Palestine"; Wednesday, "The Times of the Gentiles, With Some Teague Movements of Their Closing Days"; Thursday, "Great Britain, the Nations and Russia in Regard to the Problem of the Returning Jew"; Friday, "Modern Evolution and Some Other Astonishing Religious Developments of the Closing Days of an Age."

The next, and thirty-second, Eucharistic Congress will be held in Buenos Aires, South America, in 1934. The last three have been held at Sydney, Australia, in 1928; Carthage, Tunisia, in 1930; Dublin, Ireland, 1932.

## Canadian Census Shows Status of Religious Bodies

THE answer given by the people of Canada to the census takers of 1921 regarding their religious affiliations, form an interesting study, even though they are embodied in the rigid columns of statistical tables. Here is shown the comparative strength of the denominations. Here may be traced the rise of sects and cults during the past decade or two. Here may be discerned trends in the religious life of the Dominion. Here is recorded the material for problems of sociology and politics as well as of religion. That the Roman Catholics constitute nearly four-fifths of the population, with more than 40 per cent of the nation under their care dominate the life of the nation, are some of the facts brought out in a paper, of the recently issued bulletin of the Bureau of Statistics at Ottawa.

## HEALTH WARDEN LECTURES TWICE

Rev. T. E. Rowe Will Address Two Meetings Previous to Leaving for Scholastic Work

Rev. T. E. Rowe, warden of the Canadian Guild of Health, will give lectures on Tuesday and Wednesday evenings of next week under the auspices of the local branch of this organization.

The first lecture will be given in the chapel of Memorial Hall, Vancouver Street, and the second at the same hour in the Church of Our Lord, Humboldt Street.

Mr. Rowe will leave next Friday on a lecture tour throughout Canada, beginning at Vancouver and ending at Toronto. After completing the tour, Mr. Rowe will continue his studies at Seabury Divinity School, Fairbairn, Minn. During the coming season he expects to complete his scholastic work and obtain the degree of Doctor of Divinity in course.

**"Mind" Will Be Subject Tomorrow**  
The subject of the lesson-sermon in First Church of Christ, Scientist, Victoria, on Sunday will be "Mind." One of the Bible texts will be: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind" (II Timothy 1: 17). The lesson-sermon will also include the following passage from page 459 of "Science and Health With Key to the Scriptures," by Mary Baker Eddy: "There can be but one Mind, because there is but one God; and if more minds claimed no other Mind and accepted no other, sin would be unknown."

## CITY TEMPLE OFFERS PLAY

Drama and Unique Offerings Feature Evening at North Park Church

Drama night will be again featured at the City Temple on Sunday evening, when Reginald Hincks, dramatic director of the Temple, will present a talented group of players in "A Sign From Heaven," a sparkling drama of the Orient. Dr. Davies states that he is using drama in his services every other Sunday evening as a medium of preaching the gospel. "It is not a new wrinkle in religious education, it is a deliberate attempt to develop strength, beauty, power and creative life both in the players and the congregation. It is not a fad. Its roots go down to the beginnings of both religion and drama. Its immediate warrant lies in the need of our times for a spiritual ministry to the aesthetic and emotional life of our people." The drama will follow the usual procedure of worship and song.

At the evening service the promised "What Have You" offering will be taken, when ushers, after the usual currency collection for general funds is received, will wait upon the congregation with baskets for any gift they may have brought to the service. "Alive or inanimate, groceries, vegetables, furniture, animals, coal or wood, clothes or confections; in fact, anything at all," is Dr. Davies' invitation to his people. There will be no pretence at preserving dignity and it is expected that there will be some hearty merriment in the audience as a result of this feature.

On Monday evening a distribution in the form of prizes of the articles received, will take place during a programme entitled "St. Perkins' Country Store." Convulsive laughter is expected to greet this superlatively humorous attraction.

Dr. Davies' morning message will be "The Coming World Healer," a companion message of last Sunday's morning sermon. At the morning service the Temple choir will render the anthem "O Taste and See," by Goss, while in the evening the soloist will be Jackson's "Te Deum." Miss Tait will be the evening soloist. As a prelude to the evening service, the radio programme, "Sunday at St. George's," will be broadcast.

## NEW TESTAMENT DIALOGUE RETOLD

St. Andrew's Minister and Congregation to Listen in on Christ's Conversation With Simon

The services at St. Andrew's Presbyterian Church tomorrow will be conducted as usual by the minister, Rev. H. P. S. Lottrell, B.A., who will preach in the morning on "The Christ We Worship," based on Colossians 1: 15-19. In the evening the subject will be "Master, Say On!" Luke vii, 40. The preacher, who the congregation will endeavor to listen in on the conversation between the Master and Simon, the Pharisee.

The soloist at the morning service will be J. S. Malson, of Cranbrook, who will sing "Life's Lesson," a composition of McConnell Wood. The choir will sing Caleb Simpson's anthem, "I Will Praise Thee, O Lord." In the evening, Arnold W. Trevett will sing "Guide Me to the Light," by Squire. The evening anthem will be "Sweet Is Thy Mercy, Lord," by Barnby, the solo by Mrs. G. A. Downward.

The soloist will be George Farmer and Lillian Shandley.

During the week Mr. Winner will lecture each evening at 8 o'clock except Thursday evening, when Mr. Newell Weston will talk on "The Prosperous Consciousness."

## LOCAL MINISTER WAS WELCOMED

Rev. M. S. Richardson Conveyed Greetings of Canadian Baptists to San Francisco Convention

As the bearer of greetings from Canadian Baptists, Rev. M. S. Richardson, pastor of Emmanuel Church here, received a cordial welcome at the recent meeting in San Francisco of the Northern Baptist Convention. He was a delegate of the provincial body and had the honor of speaking on the same platform with Rev. Dr. George Truett, of Dallas, Texas, leader of the Southern Baptists.

Mr. Richardson, who was accompanied on his motor tour by his wife and daughter, reports a strong spirit of optimism in the convention. The civic auditorium was crowded at every session. The discussions on the general topic "Shall We Be Christian?" led to the resolution that the world-wide work of the church should not be cut down.

The convention was representative of 1,100,000 Baptists of the northern section of the United States. The Southern Baptists number 1,600,000. A layman was president of the convention, Dr. Jones, a leading lawyer of Los Angeles.

Mr. and Mrs. C. Spofford, of this city, were in attendance, as was also Rev. Dr. Harold C. Camp, nephew of Dr. Camp, who supplied Emmanuel Church during the absence of Rev. M. S. Richardson.

**Mrs. Forrest, of Winnipeg, Will Lecture Sunday**  
Special services will be held this week at the Spiritual Science Temple, 1406 Douglas Street, on Sunday at 11 and 7:30 o'clock, when Mrs. Forrest, of Winnipeg, and of England, will conduct the meetings.

The visiting lecturer, who is a member of the Spiritualists' National Union, has spoken in Victoria on a previous occasion.

On Monday, at 8 o'clock, Mrs. Forrest will conduct a message circle and on Tuesday at 7:30 the Ladies' Aid will meet. Mrs. Charlotte of Vancouver, who will speak on the following Sunday.

## COMPLETES FIVE SUNDAYS' DUTIES

Rev. H. P. Barrett, of Penticton, will close his ministry of five Sundays at St. Paul's Garrison Church, Equinault, by preaching tomorrow morning at 11 o'clock, when Mrs. Forrest, of Winnipeg, and of England, will conduct the meetings.

The visiting lecturer, who is a member of the Spiritualists' National Union, has spoken in Victoria on a previous occasion.

On Monday, at 8 o'clock, Mrs. Forrest will conduct a message circle and on Tuesday at 7:30 the Ladies' Aid will meet. Mrs. Charlotte of Vancouver, who will speak on the following Sunday.

## DR. SIPPRELL WILL PREACH

Former Pastor at Metropolitan—Rev. E. F. Church on Christian Unity

Metropolitan congregation is to hear its former pastor on Sunday evening, when Dr. W. J. Sipprell, now of Moose Jaw, Zion Church, will return to his former pulpit and preach on "The Adventure of the Christian Soul." Dr. Sipprell has been spending his summer vacation in Victoria and is preaching to his former congregation by special request. The soloist for the service will be Dr. Harry Johns, and the anthem is "Blessed Is the Name of the Lord."

At the evening service, Rev. E. F. Church, the present pastor, will preach on "The Unity of the Christian Church," taking "The First Fruit of Pentecost" as his special theme. The anthem is "The Lord Is Loving" (Garrett), and the soloist is Fred Wright.

A pleasing feature of the morning service, especially for children, is the pastor's exposition of the symbols in the stained glass windows of the church auditorium.

## DR. WILSON WILL PREACH SUNDAY

First United Minister Returned From Vacation—Morning Topic, "Salvaging"

Just returned from his vacation, Rev. Dr. W. G. Wilson will occupy the pulpit of First United Church at both services on Sunday. In the morning his subject will be "Salvaging What Is Left," and in the evening "Plain Talk."

Special music will be rendered at both services. The installation of the new organ will not, it is expected, interfere in any way with the convenience and comfort of the worshippers.

## DR. A. S. GRANT TO SPEAK TOMORROW

On Sunday morning at St. Paul's Presbyterian Church, Rev. G. F. Cox will continue the studies in Ephesians, preaching from Eph. ii, 19-22, on the theme, "The Church a Temple of God." In the evening, Dr. A. S. Grant, of Toronto, general secretary of the board of missions of the Presbyterian Church in Canada, who did his service in the famous Yukon country, and is one of the most distinguished ministers of the church, will be the guest preacher.

The Christian Endeavor Society will be held Monday and the prayer and Bible study class on Thursday evening, when the second of the series on the inspiration of the Scriptures will be delivered.

St. Paul and Equinault Sunday schools will meet as usual. Craft-flower Sunday school will observe a holiday during the remainder of August and will reopen on the first Sunday in September.

## CANON CHADWICK ON DISCIPLESHIP

St. John's Rector Preaches on Parable in Morning and Evening, "St. Paul and Agrippa"

The services at St. John's Church for the thirteenth Sunday after Trinity will consist of Holy Communion at 8 o'clock, Morning Prayer and sermon at 11, and Evensong and sermon at 7:30. The rector, Rev. Canon F. A. P. Chadwick, will preach at the 11 o'clock service, taking as his subject, "Christ's Parable on Discipleship." In the evening there will be a short organ recital before the service and the rector's sermon subject will be "St. Paul and King Agrippa."

**"GREAT ADVENTURE" IS DISCUSSED BY REV. F. FRAMPTON**

Rev. Flora Hampton will take both services on Sunday at the Sons of England Hall, Broad Street. Circle at 3 o'clock is open to the public. The topic for the evening service is "The Great Adventure." Messages and clarivoyance given at the close of address. On Monday at 7:45 o'clock there will be the usual public messages circle at 926 Port Street.

As an experiment the British Ministry of Labor has started the voluntary physical training of young unemployed men in Liverpool and Glasgow.

## PREACHES TO YOUNG PEOPLE

Dr. A. E. Henry Has Message for Youth at Fairfield United

Tomorrow will be a day of special interest at the Fairfield United Church. Dr. A. E. Henry will occupy the pulpit morning and evening. At 11 o'clock his topic will be "Does God Care for Me?" a study in a perplexing problem created by modern science. In his talk to girls and boys he will take for his subject "The Clock." At 7:30 o'clock Dr. Henry will speak on "Some Things Worth Living For"—a special message for youth.

At the morning service the choir will render the anthem, "Incline Thine Ear," and Mr. J. Peirce will sing "In the Garden" (Austin Miles). In the evening the anthem will be "The Lord Is Gracious," and Miss H. Newberry will sing "My Redeemer and My Lord" (Dudley Buck). Sunday school meets in open session at 9:45 o'clock, and the usual song service in the evening begins at 7:15.

Sydney, N.S.W., sent an invitation to the World's Sunday School Association for the convention of 1936. It is felt that after Los Angeles and Rio de Janeiro in succession the other hemisphere ought to have a turn. The attendance at Rio may be small. No delegate is able to go from New Zealand, very few from Europe, and only six from Great Britain, including Dr. James Kelly.

## Well-Balanced Fields Will Open Racing Card at Willows Track Today

### Fine Card Arranged For Opening Day at Popular Enclosure

Large Fields Assured for Seven Events at Five-Eighth-Mile Layout—Big Crowd Expected to Be on Hand—Start at 2:30 o'clock

With well-balanced and limit fields assured in practically all events, today's opening race card at the Willows oval should provide followers of the sport of kings with plenty of thrills. Over one hundred horses, however, were yesterday for the meet and most of the leading jockeys, who have been performing on the Mainland tracks for the past five weeks, will arrive this morning.

Despite the clash with the last day at Brighouse, there was no lack of entries for the seven events and fields of eight or more will go to the post. Officials were exceedingly pleased with the entries and everything points to a successful opening card.

Daily double betting at the Willows will be from the second to third races, while the one-two, an innovation here, will be on the sixth race daily. In the one-two system, bettors select two horses, and if they run first or second or second or first, the lucky ones collect. The pool for this betting is entirely separate from the rest.

This system proved very popular on the Mainland and some ludicrous sums were returned.

### EXPECT BIG CROWD

Today's card will start sharp at 2:30 o'clock and a record crowd is expected at the popular layout. The races will not be broadcast over the loudspeakers today, due to the fact that the broadcasting outfit will be in use at Brighouse, but it will be shipped over tomorrow and will be installed in time for Monday's card.

# BRAVES FINALLY HIT CLUBS' DASH FOR PENNANT

## Boston Slashes Way To 6-5 Victory Over Grimm's Ball Crew

Victory Slices Chicago's Lead to Two Full Games Over Dodgers, Who Displace Pirates From Second Berth—Giants Beat Pittsburgh—Yanks Split Pair—A's Win Twice

CHICAGO, Aug. 19.—Boston finally broke its losing streak at Wrigley Field, today, by slaying out fourteen hits for a 6 to 5 victory over the Cubs. The defeat trimmed Chicago's lead in the National League race to two games over Brooklyn Dodgers, who took second place from Pittsburgh. It was Boston's first victory in the four-game series, which required fifty-two full innings, and saw every battle decided by one run.

**Dodgers Move Up**  
CINCINNATI, Aug. 19.—Brooklyn Dodgers overhauled Pittsburgh Pirates and took second place in the National League today by hanging a 6-0 defeat on to Cincinnati, while the Bucs were losing to New York Giants. Frank O'Doul and Hack Wilson led Brooklyn's attack on St. Louis, each hitting a single and double, and batting in two runs.

**Pitching Duel**  
ST. LOUIS, Aug. 19.—Sylvester Johnson came out victor in a pitching duel with Ed Holley, today, as the St. Louis Cardinals won an eleven-inning contest with the Philadelphia Nationals, 5 to 3. Johnson allowed nine hits to thirteen made off Holley. Watkins' homer was mainly responsible for giving the Cards an even count with the Phillies, at the end of the fifth. The deadlock was not broken until the eleventh, when Wilson singled, beat a throw to second, and scored on Flowers' single.

**AMERICAN LEAGUE**  
NEW YORK, Aug. 19.—Detroit shattered the Yankees' ten-game winning streak, today, with a 4 to 3 victory in the first game of a double-header, but the league leaders started off again in the second game, pulling a 6 to 5 decision in the ninth inning.

Elton Hogeit outpitched Charley Ruffing to win the opener, although each allowed nine hits and Ruffing hit a homer. Four home runs, including Babe Ruth's thirty-fifth of the season, featured the second game. Tony Lazzeri drove in the winning run in the ninth.

**PHILADELPHIA, Aug. 19.**—The Athletics defeated Cleveland in both games of a double-header today, 9 to 7 and 3 to 2, to make three victories out of the four-game series with the rival Indians, and strengthen their hold on second place. The first game was a free-living battle, while the second was a pitcher's duel between Tony Freitas and Clint Brown, that was not settled until the tenth inning, when a momentary lapse on the part of Burnett enabled the A's to score the winning run on a fielder's choice. It was Freitas' ninth straight victory.

**Senators Win Pair**  
WASHINGTON, Aug. 19.—Aided by half a dozen Chicago errors, Washington took a double-header today, from the White Sox, sweeping a four-game series. The scores were 4 to 3 and 3 to 1. Bill McAfee, a young recruit pitcher, had his first major league game, held the Sox to five hits in the nightcap to win with ease, after Fred Marberry, veteran alumnus, had kept them in check in the first.

**First game:** R. H. E.  
Chicago 3 6 4  
Washington 4 9 0  
Batteries—Hogeit and Desautels; Hayworth; Ruffing and Dickey.

**EXCELLENT SPORTS**  
"I haven't heard of the suggestion. The idea of the games is to have good close competition. It doesn't matter so much who wins so long as a fine sporting spirit prevails. We had that at Los Angeles. The games were wonderful. Our team did well, and the Canadians were splendid, in particular Edwards and Wilson," Lord Burghley said.

The English captain, politician as well as athlete, said his future plans were uncertain. He said he would decide on his return to England whether he would keep in competition or devote all his time to his parliamentary duties.

"The next Olympics are a long time away. I have made no future athletic plans," he said.

**CAPS TO WORK OUT**  
Victoria Capitals, juvenile football eleven, will hold a special workout tomorrow morning at 10 o'clock at Beacon Hill Park. All of the year's players and those interested are asked to turn out.

## MY OWN LAD SHOWS WAY IN FEATURE

E. J. Estes' Horse Cops Handicap at Brighouse, From Cartago

VANCOUVER, Aug. 19 (CP).—By short neck, E. J. Estes' My Own Lad won the Percy Williams Handicap, feature event of today's racing card at Brighouse Park.

A poor third-four length back, Jockey Springer had a narrow escape from injury in a spill in the feature race. Up on Sinsbad, he was thrown to the ground when his mount tripped and fell. The filly got up and finished the run.

Prices were on the fair side. The daily double, Koff to Concordia, paid \$18.50.

## Eastern U.S. Tennis Champion

British tennis star, E. J. Estes, who won the Eastern U.S. tennis championship at the Western Canadian Club, N.Y. Miss Pina defeated her sister, woman, Joan Rider, in the final match.

## BROUILLARD PANNED FOR M'LARNIN GO

New York Scribes Flay U.S. Fighter for Foul Tactics, Rogers Says

After flying to and from the Jimmy McLarnin-Lou Brouillard bout in New York last week, Ralph Rogers, of Vancouver, reached the city yesterday and was panned by scribes for his tactics.

McLarnin was panned by scribes for his tactics, and that New York sport writers panned Brouillard's tactics.

Early in the fight Brouillard started using foul tactics, and despite the protests of Pop Foster, McLarnin's manager, the referee allowed them to go on.

In the fourth round Brouillard butted McLarnin in the forehead and opened up a deep gash which required three stitches to close up.

Later another butt injured McLarnin's chest and an X-ray disclosed two dislocated ribs.

Rogers says McLarnin will fly back to the Coast next week and will stay in Vancouver a short time before leaving for the East to meet Benny Leonard.

**TWO FAST JUMPS**  
Flying from Seattle to New York required twenty-nine hours, while from New York to Seattle, twenty-two hours were required.

Two bad storms were met during the trip to the East. Beacons flashed their warnings and guiding messages every five miles, and every ten miles there was an emergency landing field.

Rogers left Victoria by seaplane. The next landing was at Seattle, leaving three hours later by mail plane with night landings and take-offs at Tacoma, Portland, Pasco, Boise and Salt Lake City.

Leaving Salt Lake City at 7:30 Sunday morning in a trimotor Boeing plane with fifteen passengers and a stewardess, who acts as a nurse, Rogers found himself climbing 1400 feet a minute to an elevation of 13,000 feet, at which height the plane remained all the way to Cheyenne, Wyoming.

After passing North Platte and Lincoln, and then Omaha, a storm was encountered. "We made a beautiful landing in the face of severe wind and rain," Rogers said.

"From the standpoint of science aviation has made greater strides than any other field," the mainlander stated yesterday as he concluded about his wonderful trip by air.

## MAINLAND MEET TO DRAW STARS

Alex Wilson to Face Eddie Genuis in 800-Metre Race—Edwards May Enter

VANCOUVER, Aug. 19 (CP).—Featuring the first Canadian junior Olympic track and field meet which will be staged here next Saturday in conjunction with the Canadian Pacific Exhibition, Alex Wilson, crack Montreal middle distance man, will take Eddie Genuis, ace of United States half milers, in a special 800-metre run.

Wilson just missed beating Tom Higgins of England, by inches in the half-mile race, the first of the Angeles Olympic Games this month.

Genuis placed fourth, but American sportscasters are of the opinion that he was off form and can match pace with the world's best. Possibility of a third of the world's middle distance runners competing in the event lies with acceptance of Phil Edwards, sensational Canadian negro from Hamilton, who finished third in the Olympic classic.

Commodity prices in Austria are higher than a year ago.

## STRONG ROYAL CITY NINE TO PERFORM HERE

Fraser Cafe to Play Twin Bill Against Combined Local Team Today

With Lloyd Cann, Tommy Musgrave and Roy Haines available for mound duty, the combined team from the Sons of Canada and Tillamook camps are confident of holding their own with the hard-hitting Fraser Cafe nine from New Westminster, in today's double-header at the Royal Athletic Park. The first game will get away at 2:30 o'clock and the nightcap attraction at 6 o'clock.

Alta McGregor will officiate at both.

Lloyd Cann is expected to face the visiting cafe squad in the afternoon, while either Tommy Musgrave or Roy Haines will take up the heavy work for the locals in the evening.

The rest of the Victoria team is not yet known, but officials announced last night that a strong nine would take the field.

Doug Muscutt will twirl for the Royal City club in the afternoon, and "Scotty" Lee will do the heaving in the second fixture. Fraser Cafe is a heavy squad and is expected to dish up a high standard of ball for the fans.

## Shawnigan Lake Softballers Win From Nanaimo

NANAIMO, Aug. 19.—Handicapped by the absence of three of their regulars, the Motor Levels went down to defeat at the hands of Shawnigan, 11 to 5, before a crowd of approximately eight hundred fans, who assembled at the Central Sports Grounds to see the locals in action last evening.

C. Leffington and Gardiner were the best hitters for Shawnigan, each getting three singles, while Grey and Boyd did the same for Nanaimo. Evans was in the box for the winners and pitched a stellar game, allowing three walks and thirteen hits, while Loudon, for the locals, gave out four walks and fifteen safeties.

The Centre-fielder and third sackler for the victors turned in good games, as did Boyd and Mercer, playing the same positions for the Motor Levels.

George Carroll, of Cassidy, and Oscar Wargo, of Ladysmith, umpired.

## MIDDLESEX XI EASY WINNERS

LONDON, Aug. 19 (CP).—Middlesex defeated Glamorganshire by ten wickets in a cricket fixture concluded today.

Leicestershire and Surrey won one-wicket victories over Nottinghamshire and Northamptonshire, while Derbyshire conquered the all-India veterans by nine runs in a friendly game at Ilkeston.

Middlesex, 420 for eight wickets, declared, and 53 for no wicket; Glamorganshire, 249 (Dyson 108 not out, Sims five for 71).

Nottinghamshire, 211 and 170; Leicestershire, 206 and 177 for nine wickets (Berry 75 not out, Larwood five for 94).

Northamptonshire, 122 and 228; Surrey, 195 and 157 for nine wickets (Clarke four for 47, Jupp four for 23).

Derbyshire, 348 and 165; all-India, 205 and 202 (Mitchell five for 71, Townsend five for 78).

Lancashire, 375 and 208 for four wickets, declared; Warwickshire, 358 and 54 for four.

Hampshire, 264 and 241 (Nichols six for 63); Essex, 231 and 197 (Kennedy five for 40 and Boyes four for 72).

## Kaye Don Will Show Speed to Toronto Fans

TORONTO, Aug. 19 (CP).—Kaye Don will demonstrate his Miss England III to a Toronto crowd following the Harnsworth races at De-troit—it all goes well. This was the definite announcement of D. Browne, associated with the C. C. Wakefield company, who had interviewed Don in New York.

## Victoria Veterans Begin Competition

The "old boys" of the Victoria Lawn Bowling Club began their competition yesterday for the Veterans' Cup. A trophy has been put up as a reward to the rink which succeeds in coming through without a defeat, while four individual prizes are offered to the winners and those taking second place.

In the initial game, between rinks skipped by R. Downell and W. J. Macallan, the former emerged victorious by a small margin. Eight rinks are entered and players are asked to have their games scheduled as soon as possible. Following is the complete draw:

A. J. Wilson, J. Day, J. Patterson, A. B. McNeill (skip), vs. W. Marshall, H. Bird, J. Sutton, G. Blundell (skip).

J. Fullerton, E. Forrest, G. V. Greenhill, W. Barbour (skip), vs. M. Haywood, C. R. Oldershaw, A. Read, R. B. Dunn (skip).

E. Williams, J. Patrick, F. R. Exham, R. Downell (skip), vs. M. Smith, F. Guy, J. U. Gordon, W. J. Macallan (skip).

C. A. Downard, D. Riddell, J. A. Gagnon 212.

## BOB KRUSE HOLDS GEORGE TO DRAW

VANCOUVER, Aug. 19.—Turning in one of the best wrestling performances he has yet given in Vancouver, Bob Kruse, deservedly held Don George, Buffalo, former heavyweight champion, to a one-fall draw in the eight-round headline bout here last night. In the semi-final bouts Vancouver grapplers were successful.

Jack Forsgren taking the only fall from Hal Rumberg, of Spokane, and Jack McLaughlin winning in similar manner from Pat Callahan, of Butte. In the three-round preliminary, George Woods, of Vancouver, and George Whellens, of Calgary, wrestled to a fall-less draw.

TIBERTON, R.I., Aug. 19.—Primo Carners, giant Italian heavyweight, scored a one-round knockout over Jack Gagnon, of Boston, tonight, after only 1 minute and 35 seconds of fighting. Carners weighed 261-2 and Gagnon 212.
